If approved, the Rev Branch will be requested to state whether the question of granting house allowance in place of cycle allowance to the Panchayat Inspectors was discussed at the Dy Comrs' meetings held on 16th Jan[y] 1928 and if so, with what result

I presume that the V. Panchayat Inspectors were not in receipt of a cycle allowance of Rs 7/8 and not H.A. of Rs 15 as here - Vide R.C's letter and D.O's report -

I do not see any objection to the being allowed in addition, as recommended by the R.C.

It may not be possible to provide for an addl grant for this purpose -

The budget position is heavily upset owing to several sanctions already accorded. The R.C may try to meet the extra Cost by re appropriation of sanctioned grants -

In the Budget (Page 159) there is shown as Forest Allowance. It is a sort of pay allowance.

The Chief Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore.

CHIEF SECRETARY 9 OCT. 1928

V.P.41-28-1

Sir,

In forwarding herewith copy of letter No. R.O.C. 1029/26 dated the 4th July 1928 from the Deputy Commissioner, Hassan District, regarding the grant of travelling allowance under ordinary rules to the Village Panchayet Establishment, I have the honour to state as follows:-

The Village Panchayet clerks who are taken to camps on duty may be allowed such travelling allowances as they are entitled to under the service regulations. Needful instructions will be issued by me to the local officers to see that the village panchayet clerks are not taken to camps frequently to avoid expenditure as much as possible.

With regard to the village panchayet Inspectors, instructions had been issued to the Deputy Commissioners by me not to allow them ordinary travelling allowance for journeys within the jurisdiction as they were in receipt of a fixed allowance and as sufficient provision for travelling allowance had not been made in the budget of 1927-28. As it is now pointed out that this restriction operates as a hardship on the village panchayet Inspector whose fixed allowances was reduced from Rs 15/- per mensem to 7-8-0 and as officers of like status and ~~the~~ receipt of horse allowance are allowed ordinary travelling allowance for journey, within jurisdiction under Article 575 Mysore Service Regulations provided he goes beyond 5 miles in mal-

malnad and 10 miles in maidan, I am of opinion that the village panchayet Inspectors may also be allowed to draw travelling allowance for journeys within jurisdiction on the same condition, unless Government approve of my recommendation made in this office letter No. C.1245/27-28 dated 3/9th December 1927 that the cycle allowance of Rs.7-8-0 may be replaced by horse allowance of Rs.15/- as before.

It has also to be mentioned that only a provision of Rs.8940/- has been made in the current year's budget under 30-5 (i) travelling allowance . Deducting Rs.6930/- required to meet the fixed cycle allowance of the village panchayet inspectors, only a sum of Rs.2010/- will be available for meeting the ordinary travelling allowance. As there are 77 village panchayet inspectors and 77 village panchayet clerks in the State, the amount available will not at all be sufficient for meeting the expenditure to be incurred. In case travelling allowance is sanctioned or the fixed allowance is increased, as proposed above, to the village panchayet Inspectors the Government will have to sanction an additional grant for the purpose to an extent of 5 to 6 thousand rupees at least. I solicit early orders of Government in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

Assistant Commissioner,
For Revenue Commissioner.

Letter No. Koc.1029-36 dated 4th July 1928 from the Deputy Commissioner, Hassan District, to the Revenue Commissioner in Mysore.

I have the honour to state that it having come to my notice that the village panchayet establishment of the several taluks of this district had been allowed travelling allowance for journeys within their jurisdiction by the Sub Division Officers as detailed in the margin. I ordered that the amounts drawn by them might be refunded, as the payment of travelling allowance to them within jurisdiction was not in conformity with instructions conveyed in your memo Nos. D2.Dis.1014 and 1217-27 dated 19-11-27 and 21-12-27 respectively.

2. Now, the Amildar of Belur taluk and the Sub Division Officer of Hassan-Jakleshpur strongly recommend that in view of the fact that the village panchayet clerk was taken to camps with the Amildar in connection with the inauguration of the scheme and that it would be hard upon the poor official to refund the amount now, the travelling allowance already disbursed to him may be sanctioned as a special case.

The Sub Division Officer's memo No. H.9291-27 dated 25-6-28 on the subject is enclosed for reference.

3. I agree in the view that it would be hard upon the poor officials to refund the amount of travelling allowance now and as the Comptroller also has not taken objection to the payment of the same, I re-

I request that the amounts already disbursed in this and other taluks on this account may kindly be sanctioned as a special case, as recommended by the Amildar and the Sub Division Officer.

4. In this connection, I wish to bring to your notice, that in view of the fact that the village panchayet inspectors have to traverse the whole taluk, and that the fixed conveyance allowance allowed to them was also reduced from Rs.15 to Rs.7-8-0 which is very poor as compared with that given to the Executive subordinates of taluks of the similar class of other Departments, it is rather fair to allow them the usual travelling allowance in addition to their fixed allowance for journeys within their jurisdiction, of course subject to proper scrutiny of their claims for mileage. Similarly the Amildars will have to be allowed to take Village Panchayet clersk with them on tour as they require clerical help in camps for scrutiny of village panchayet accounts and registers, which they are expected to do often specially till the panchayets come to a working order.

5. In these circumstances, I request that sanction may kindly be accorded to allow travelling allowances to the village panchayet establishments of taluks for journeys within their jurisdiction and necessary allotment of funds, say Rs.1000/- placed at my disposal out of the rural reconstruction grant to meet the travelling allowance charges of the District Office clerk and the village panchayet establishment of taluks for the current year.

6. The favour of early orders is solicited
